

§ 82.9

7 CFR Ch. I (1–14 Edition)

constraints of a minimum payment of \$500 per acre and a maximum payment of \$1,700 per acre), exceed the amount of funds available for the diversion program, each grower's application will be considered in the order in which they are received at the CCPA offices.

(f) After the application reviews and confirmation of eligible trees are completed, the CCPA shall notify the applicant, in writing, as to whether or not the application has been approved and the tonnage approved for payment after removal. If an application is not approved, the notification shall specify the reason(s) for disapproval.

§ 82.9 Inspection and certification of diversion.

When the removal of the clingstone peach trees is complete, the grower will notify the CCPA on a form provided by the CCPA. The CCPA will certify that the trees approved for removal from the acreage have been removed, and notify AMS.

§ 82.10 Claim for payment.

To obtain payment for the trees removed, the grower must submit to the CCPA by July 31, 2006, a completed form provided by the CCPA. Such form shall include the CCPA's certification that the qualifying trees from the acreage have been removed. AMS will then issue a check to the grower in the amount of \$100 per eligible ton removed consistent with the minimum and maximum payments per acre earlier specified in this part.

§ 82.11 Compliance with program provisions.

If USDA or the CCPA determines that any provision of this part have not been complied with by the grower, the grower will not be entitled to diversion payments in connection with tree removal. If a grower does not comply with all the terms of this part, including the requirement specified in § 82.5(b), the grower must refund any payment made in connection with this program, and will also be liable for any other damages incurred as a result of such failure. The USDA may deny any grower the right to participate in this program or the right to receive payments in connection with any diversion

previously made under this program, or both, if the USDA determines that:

(a) The grower has failed to properly remove the clingstone peach trees from the applicable acreage, regardless of whether such failure was caused directly by the grower or by any other person or persons;

(b) The grower has not acted in good faith, or has engaged in a scheme, fraud, or device, in connection with any activity under this program; or

(c) The grower has failed to discharge fully any obligation assumed by him or her under this program.

§ 82.12 Inspection of premises.

The grower must permit authorized representatives of USDA or the CCPA, at any reasonable time, to have access to their premises to inspect and examine the acreage where the trees were removed as well as any records pertaining to that acreage to determine compliance with the provisions of this part.

§ 82.13 Records and accounts.

(a) The growers participating in this program must keep accurate records and accounts showing the details relative to the clingstone peach tree removal, including the contract entered into with any firm removing the trees, as well as the invoices.

(b) The growers must permit authorized representatives of USDA, the CCPA, and the Government Accountability Office at any reasonable time to inspect, examine, and make copies of such records and accounts to determine compliance with provisions of this part. Such records and accounts must be retained for ten years after the date of payment to the grower under the program, or for ten years after the date of any audit of records by USDA, whichever is later. Any destruction of records by the grower at any time will be at the risk of the grower when there is reason to know, believe, or suspect that matters may be or could be in dispute or remain in dispute.

§ 82.14 Offset, assignment, and prompt payment.

(a) Any payment or portion thereof due any person under this part shall be allowed without regard to questions of
